RE: Ser No 09/917,112

I am sending this fax because I noticed on the Public PAIR that a Correspondence Address Change is listed for this case on Feb 28, 2005. I am still the Agent of Record and did not send such a Change. For the record, on 8/27/04, the PTO sent an Office Action rejecting claims 1-40. However, previously in April 2, 2003, a Preliminary Amendment was filed canceling claims 1-40 and adding new claims 41-52. I faxed you a copy of this Preliminary Amendment on 9/22/04 and in a subsequent telephone conversation, you told me the ball was in the PTO's court to scan in the documents and you would examine the case based on claims 41-52. I have received nothing since then. If there is a problem, please contact me.

Sincerely,

LK Jordan
